

Drawing on Nature

April 9-11, 2010

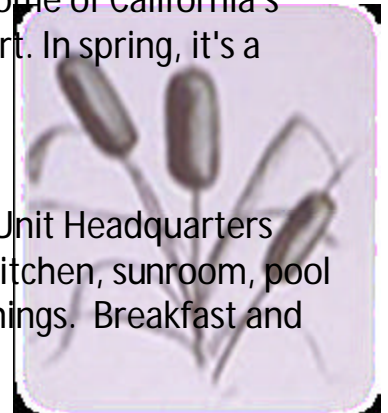

Carrizo Plains

San Luis Obispo County

If you ever wanted to learn to draw or better your skills, don't miss this comprehensive workshop. **The famed wildlife artist, Bill Peters, will be our instructor** for this drawing class. Using pencil, pen, or chalk, Bill's talent and technique will have you drawing before the weekend's end!

The Carrizo Plains area, nestled in a high valley between San Luis Obispo and Bakersfield, is home to a handful of year-round human residents, 13 endangered species, from the giant kangaroo rat to the San Joaquin kit fox, and some of California's finest Native American rock art. In spring, it's a wildflower paradise.

We will be staying at the Department of Fish and Game's Chimineas Unit Headquarters building. It is a spacious compound with many private rooms, a full kitchen, sunroom, pool and Jacuzzi. We will be providing dinner on Friday and Saturday evenings. Breakfast and lunch are your responsibility.

Arrival time is 3:00 p.m. Friday and departure is Sunday after lunch. The workshop fee covers instruction and accommodations. You are responsible for your drawing materials. A list of items to bring will be sent to you two to three weeks prior to the workshop.

Fee: \$250
