

Pheasant Hunt

November 17, 2012

Williams, Colusa County

Whether you hunt behind a pointer or a flusher, the excitement is overwhelming... walking the fields, hearing the crackle of stubble beneath your boots, watching the dogs on the trail of a wily pheasant.

We'll meet at 11:30 and have a hot lunch. At 12:30 we hit the fields. Shotguns, ammo and eye protection will be provided. You will need a California hunting license* with an upland game stamp. A light lunch will be provided prior to the hunt. Join us and take some pheasant home for your Thanksgiving dinner!

Fee: \$125

20 participants

*Hunting License information available at:
